

ZOYA YIN

MSc Advanced Sustainable Design | University of Edinburgh
Edinburgh, UK | Email: yinzhengjie945@outlook.com

PROFILE

Incoming University of Edinburgh postgraduate student with hands-on experience in high-volume operations, quality control, design practice and student-facing coordination. Detail-focused and dependable, with a strong record of following procedures, maintaining accurate information, identifying issues and collaborating to resolve them. Particularly interested in supporting safe, welcoming and well-run study environments.

EDUCATION

University of Edinburgh, Edinburgh, UK <i>MSc Advanced Sustainable Design</i>	2026-2027
China Academy of Art, Hangzhou, China <i>Bachelor's Degree in Environmental Design</i>	2021-2025
• Graduation project awarded Silver in the Lin Fengmian Graduation Creation Award.	

PROFESSIONAL EXPERIENCE

Manycore Tech Inc. (Coohom) - Model Operations Intern, Hangzhou	2026
- Reviewed 1,000+ user-generated 3D assets against quality and content standards, identifying exceptions and supporting consistent approval decisions. - Processed and maintained 200+ website models and 200+ branded/special-topic assets, keeping naming, records and asset status accurate. - Produced 100+ AI-assisted models and evaluated multiple 3D-generation workflows, documenting recurring quality issues and practical solutions. - Developed and refined AI modelling SOPs and batch-processing workflows; supported large-scale naming checks of 800+ and 1,000+ items. - Worked closely with colleagues to escalate issues, coordinate corrections and meet operational requirements in a high-volume environment.	
Architecture Design Studio - Architectural Design Intern, Hangzhou	2025
- Supported architectural renovation and environmental improvement projects through drawing preparation, design development and organised file management. - Completed defined design tasks independently, incorporated iterative feedback and coordinated revisions within a small studio team. - Developed practical awareness of how spatial quality, maintenance, circulation and user needs affect everyday experience.	

LEADERSHIP & CAMPUS EXPERIENCE

China Academy of Art Graduation Exhibition - Livestream Team Leader	2023
Coordinated team members and live-event tasks in a time-sensitive, public-facing setting, helping maintain clear communication and smooth delivery.	
Student Class Wellbeing Representative (Psychological Committee Member)	University
Completed university-organised training and supported peer communication and signposting, strengthening discretion, responsibility and interpersonal awareness.	

SELECTED ACHIEVEMENTS

Lin Fengmian Graduation Creation Award - Silver Award (2025) | National Bamboo Design Competition - Third Prize & Finalist (2023) | Jingqilin Award
